WORKSHOP ON MUN HELD ON 12-04-2023

St. Peter Sr. Sec. School, Kichha hosted a workshop on MUN (MODEL UNITED NATIONS) to encourage the public communication, critical thinking skills, cultural awareness, negotiation skills etc in the students of classes X to XII. The resource person Mr. .Zavish Velati and Mr. Prashant from Mumbai briefed the students about the entire event. Model United Nations, also known as MUN, is a simulation of the United Nations where participants

role-play as delegates from different countries to discuss and debate current global issues.

It is a platform for students and young professionals to enhance their understanding of diplomacy, international relations, and problem-solving.

In MUN conferences, participants represent countries and work to develop solutions to global problems through diplomatic negotiations and collaboration.

Participants research their assigned country's foreign policy, learn about international relations, and participate in committees that represent the UN's various organs, such as the General Assembly or Security Council.

The objectives of MUN were well explained to the students who realised the importance of knowing about the global problems, understanding them and negotiating for their solutions.

The Management and the Principal thanked the resource person for encouraging the young learners for participating in such event

Children are most vulnerable to worm infections. Untreated worm infections prevent children's healthy growth, causes poor nutrition, and reduces their capacity to concentrate and learn.

Government introduced this program and is being implemented by the state since 2015. The main objective is to reduce the infection in children and contribute good health and nutrition, which in turn leads to increased enrolment and attendance & better education attainment.

To keep the importance and benefits of this program in mind our school organized deworming program on **April 17, 2023**. A single dose of deworming medicine was given to children by the consent of their parents. Aiming the students to catch-up physical and cognitive growth and attend school more regularly. Children consumed the medicine and the deworming program was successfully

DANCING IS A POETRY WITH ARMS AND LEGS.

International dance day is celebrated on April 29 to commemorate the birthday of Jean Georges noverre, a French dancer and ballet master known as the father of modern ballet. The intention of the international dance day is to bring people together with a common language dance.

This year it was celebrated in our school to encourage the participation and confidence among students. One of the most basic motives of dance is the expression and communication of emotions

The competition aimed to give the students of classes 3rd to 12th an opportunity to show their expressions and emotions through their dance forms.

"Great dancers are not great because of their technique they are great because of their passion."
